# HOW TO get started!

- 1 Enroll in the Rewards Program
- 2 Pick 1 or both procedural incentives
- 3 Start earning rewards!

Enroll in one or both pillars of our procedural rewards incentive program and earn points per procedure for your purchases, redeemable for up to 22% in additional product. See how your rewards can really add up!

## IT'S EASY...

1. Create your enrollment order by selecting your desired 2 or more products from the approved brands.  
*You MUST become a new user in at least one brand to qualify. NEW USER is defined as not having made a purchase in a product category in the past 12 months.*
2. Select your enrollment order item numbers and quantities
3. Complete the account enrollment information

## YOU GET:

- Earn up to 22% back in free product
- Receive purchase reminders from your local representative at the end of each quarter to help maximize your earnings
- Access to exclusive promotions
- CE opportunities
- The current national offers when applicable
- Custom website to visit and choose your desired free products each quarter

## Pillar A: Class II Solution Examples
